

A black and white photograph of two women in a professional office setting. The woman on the right, wearing glasses and a plaid blazer, is holding a tablet and pointing at the screen. The woman on the left, with curly hair and a light-colored blazer, is smiling and looking at the tablet. They appear to be in a collaborative work environment. In the background, there are office desks, a laptop, and modern lighting fixtures.

A COMPLETE TAX ECOSYSTEM IN ONE TRUSTED PLATFORM

GenTax is a proven, long-term investment that continuously evolves with your needs—without the costly overhauls or system rebuilds that other platforms require. As the most widely adopted solution for tax agencies, GenTax delivers all core functions through one integrated, purpose-built solution:

- ▶ Seamless integration between accounting and payment processing
- ▶ Support for hundreds of tax types and fees
- ▶ Complete customer and account management
- ▶ Compliance, workflow, and interface management
- ▶ Expedited refunds and returns processing
- ▶ Capacity to handle high-volume, complex tasks
- ▶ Fraud prevention and identity verification

Fully compliant with IRS Publication 1075

BUILT **FOR THE FUTURE**

Designed for the realities of modern tax administration, GenTax goes beyond the basics with cloud-optimized tools that automate work and boost efficiency, including:

24/7 self-service portals and AI-driven virtual assistant

Centralized Contact Center for unified customer support

Business intelligence tools for data-driven decision-making

Advanced collections and audit support

Customer banking tracking and routing number validation

Support for ACH, digital wallets, and more

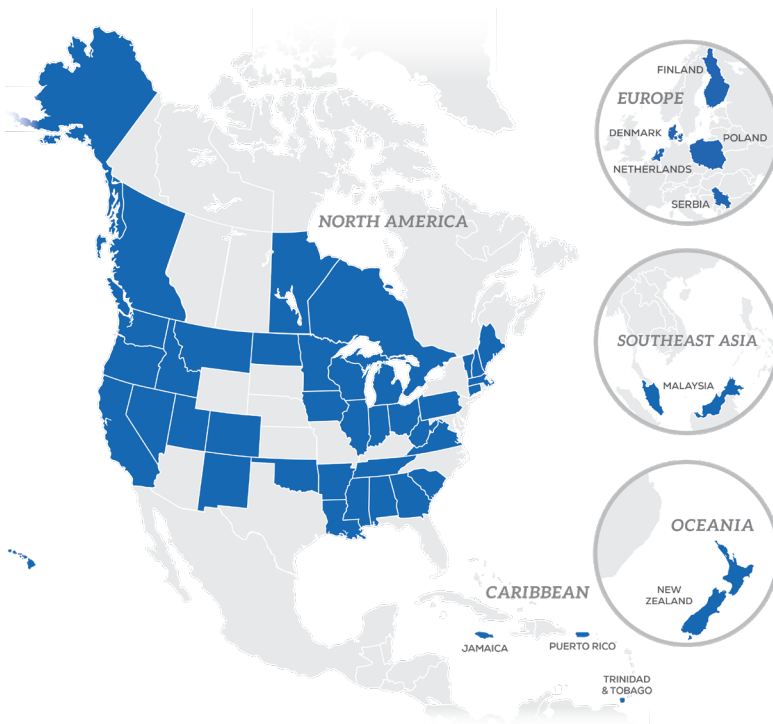

Industry standard programs, including Modernized e-File and Streamlined Sales Tax

A PROVEN PLATFORM

GenTax is powered by FastCore—the only platform built exclusively for government. From tax and revenue to child support, FastCore has delivered proven results for agencies and communities big and small. Our FastCore platform grows through continuous enhancements shaped by our collaborative user community and years of experience.

25+

years of successful partnerships

BILLIONS

of dollars processed and distributed annually
